In regards to the Angus King for US Senate general debt retirement contribution and the Vargas for Congress 2012 primary debt retirement, NAIFAPAC submits Attachments B and C. These attachments contain copies of our correspondence and confirmation that the candidate committees, in fact, did use our contributions for debt, as well as copies of the candidate committees filings where our contribution is noted in their records.

Attachment B is a letter from the Angus King Committee in which they confirm that NAIFAPAC check number 14705 was deposited into their account for General Debt Retirement on January 2, 2013 in accordance with their need to retire debt as reported to the FEC in a memorandum from the committee. As well as a copy of their 2013 First Quarter Report showing they used our contribution for debt retirement.

Attachment C is email correspondence with the Vargas for Congress Campaign in which they confirm the NAIFAPAC contribution of \$2,500 dated on 12/11/2012 was in fact used to settle primary debt. This was reported on the Vargas for Congress Year End FEC, report as well as a copy of their FEC report page that shows how they deposited NAIFAPACs contribution.

Please be advised that we are mailing a separate copy of this letter and the attachments for your review. Please let us know if you need us to proceed differently or if you have additional questions.
